

## TEMPLATE – Problematics Worksheet

This sheet is provided as a tool that *Collaborative Networks* can use to progress through the process and as a template for the Networks' first deliverable. The final version of the “Priority Problematic Worksheet” must be submitted via the Google Drive link provided by the General Secretariat. Please contact [secretariat@ovpm.org](mailto:secretariat@ovpm.org) to request your exclusive link.

### 1. NAME OF THE COLLABORATIVE NETWORK

Indicate the name of the *Collaborative Network* which this form corresponds to.

### 2. PRIORITY THEMATIC

Indicate the *Priority Thematic* addressed by this *Collaborative Network*.

### 3. IDENTIFICATION OF PROBLEMATIC(S)

In accordance with the political vision adopted during the Symposium of the 16th World Congress in Quebec, **identify the Problematics which describe the interrelated issues** that must be solved in order to improve the given situation related to the *Priority Thematic*, and indicate their relevance in relation with one of the 9 *Operational Objectives*.

<b>Problematic</b>	<b>Description and relation to the Operational Objective</b>
<i>In short words the Problematic should specify an interrelated issue that requires analysis in order to understand and address effectively and sustainably a given situation.</i>	<i>Briefly describe the identified Problematic and indicate how it relates with one of the 9 Operational Objectives of the Quebec Roadmap</i>
1.	
2.	
3.	
4.	
5.	

...

### 4. PRIORITY PROBLEMATIC

Determine the *Problematic* which will be the object of the *Pilot Project* to be implemented in priority within the framework of the Quebec Roadmap (title and description).
